

🌟 CAREER OPPORTUNITY AT MAJE 🌟 🚀 Global Performance Marketing Program

📌 Role Overview & Project Summary

🏢 PROJECT CONTEXT

Maje, an internationally recognized fashion label, is launching a Global Performance Marketing Program to accelerate international expansion and strengthen digital acquisition across key regions.

We are looking for top-tier Performance Advertising Specialists ready to work on a live global campaign with substantial budgets and clearly defined KPIs.

This is a fully execution-focused role, where:

- You manage real campaigns
- You control live budgets
- Your performance is evaluated strictly based on actual results

💼 What You'll Gain

- 🌟 Hands-on experience with high-scale performance marketing
 - 🌐 Direct involvement in global market expansion
 - 📈 Long-term career growth driven by measurable success
-

POSITION INFORMATION

Job Title

Global Performance Advertising Specialist
(Google Ads • Meta Ads • TikTok Ads)

Project Type

B2B Performance Marketing Campaign

Duration

4-month cycles (renewable based on performance)

Campaign Budget

USD \$700,000 – \$900,000

Monthly Salary

USD \$5,000 – \$7,000
(based on experience and campaign performance)

Additional Incentives

- ✓ Performance-based commissions
 - ✓ Long-term collaboration opportunities for high performers
-

PROJECT GOALS

Drive global customer acquisition through data-driven strategies

Maintain efficient CPA while scaling ad spend

Build repeatable and scalable campaign frameworks

Identify and retain top-performing advertising talent

TARGET REGIONS

Phase 1 – Primary Markets

 **Southeast Asia**
(Thailand, Indonesia, Philippines)
 **South Korea**
 **Japan**

Phase 2 – Expansion Markets

 **North America**
(United States, Canada)
 **Europe**
(Germany, France, United Kingdom)

KEY RESPONSIBILITIES

Campaign Management

Plan, execute, and optimize campaigns across:

- Google Search Ads
- Meta Ads (Facebook & Instagram)
- TikTok Ads (testing and scaling)

Responsibilities include:

- ✓ Managing large-scale budgets with strict CPA targets
 - ✓ Testing creatives, audiences, and bidding strategies
 - ✓ Structuring campaigns for scalability and efficiency
-

Optimization & Scaling

 Monitor campaign performance daily

 Make data-driven decisions such as:

- Scaling budgets by 20–30% when KPIs are achieved
- Maintaining budget stability when needed
- Pausing underperforming campaigns

 Campaign scaling should only occur when performance data clearly supports expansion.
